JULY
2017

— AT THE —
POTTERS HOUSE

SPECIAL ACTIVITIES FOR THE MONTH OF JULY:

11th: Animal Friends are our special guests! The Humane Society on Princeton Road does a wonderful job of caring for stray animals. We are accepting donations to help them do so! Please consider bringing something from the list to put in the class donation boxes.

13h : Kona Ice at 3:30.. (Shh...it's a surprise!) Healthy reminder...Kona uses all natural stevia as a sweetener, so it is a sweet treat without the concerns that sugar poses!

14th: Carly's Puppets will be here! Carly makes her own puppets, and travels, presenting shows for boys and girls. In this day of video and high-tech, this presentation is a refreshing throwback to the good old days.

19th: Serendipity Petting Zoo arrives. This laid back opportunity allows the children to pet and experience an array of adorable farm animals. (My fave...the donkey?)

28th: Cool Critters will be here for our pre-school classes. Warning...their only availability was around noon, so we will have a minimal rest time. They bring amazing snakes, lizards, woodland animals and an enormous tortoise!
