Parents,

Be sure to check out the Snapshot of the Week outside your child's classroom door for a description of each week's learning plans. We are planning a lot of STEAM activities for the summer! The Creation theme is a natural and exciting way to introduce a lot of these lesson

plans. We want all the children to feel they've enjoyed the summertime, while continuing to enjoy opportunities to deepen their knowledge and extend their experiences.

Fridays:

**Music
with
Ms. Mary!**

3rd Thursdays:

**Bookmobile for Pre-
school and Schoolage**

Library Days:

Weekly trips to visit
the Potters House
library in room 209

Sunscreen Reminder:

The Potter's House CDC policy is that every parent coat their child in an all day sunscreen each morning. If your child is fair skinned and needs a second coat for the afternoon, please complete box 1 of an administration form, include the brand name of the product, put your child's name on the tube/bottle, and bring it to the office. We will get it to the teacher! **Important Note:** Licensing rules prohibit the use of spray sunscreen at the center.

WATER DAYS:

**Tuesdays: Katie, Tiffany, Britta-
ny, and Nursery (a.m. fun)**

**Thursdays: Jenna, Lexi, (a.m.)
Mary/Nikki & Sarah (after lunch)**

Bring a swimsuit/swim trunks and a towel to be left at PH all summer for water days. PH staff will wash items and ensure the children have them for water day weekly!
